Call for Papers

The MLA's Division on Literature and Science will sponsor a special session on Thomas Pynchon at the December 1982 MLA Convention in Los Angeles. The topic is the influence of science and technology upon the language, style or structure of Pynchon's works. The seminar is being organized by Professors Alan J. Friedman and Joseph Slade, who request that paper proposals or abstracts of one to three pages be sent to Prof. Slade, Communications Center, Long Island University/Brooklyn Center, Brooklyn, NY 11201, before April 1.
